Serial No.

Of the senior officers of the Account Department Mr. T. Lakshminarasimha Rau is dead, three will reach the superannuation age within the next few years, and the services of one who is a lent officer will terminate.

	Date of Superannuation.
1. Mr. T. Satyaraj Chetty	12-10-1924.
2. " L. Bishtopanth Badami	17- 9-1926.
3. " M. Srinivasamurthi	17- 9-1924.
4. " R. Srirangarajan	(Date of termination of service - 30-6-1925.)

Messrs Viraraj Urs and Raghavendra Rau are, under Government Order No. 450-52/C.B. 64-19-3, dated 1st October 1919 which fixes the period of their employment in the Account Department at five years, liable to be transferred to the general line within the next two years.

There will thus be six permament vacancies to be filled up in the course of the next few years, and seven including that of the Auditor, Mysore Railways.

For the Auditor's place Mr. S. Shamanna has been appointed temporarily and the question of filling up the place permanently has to be taken up. For the remaining six places at least four Civilian Officers will be necessary assuming that Messrs V. R. Krishnaswami Iyengar and M. A. Rangachar, who by qualifications and seniority, are eligible for promotion, will be promoted to the higher grades.

Among the Non-civilians Mr. A. Narasimhamurthi retires from 1st November next and his place will be taken up by Mr. A. Tholasinga Mudaliyar.

Besides the three appointments reserved for Non civilians in this office the following four appoinment outside the office are also filled by Non-civilians:-

1. Accounts Assistant to the Chief Commandant, Mysore State Troops.
2. Accounts Assistant to the Chief Electrical Enginee in Mysore.
3. Accounts Assistant to the Agent for Mysore Railway
4. Deputy Secretary to the Mysore State Life Insuranc Committee.

The officers filling the first and the third appointments are young and the one filling the second appoinment will reach the super-annuation age in Feb. 1924, and Mr. M. Krishnamurthy, a Superintendent of this office who is eligible for promotion to the Gazetted rank and who has already acted once as Accounts Assistant to the Chief Electrical Engineer, may be appointed Accounts Assistant when the post falls permanently vacant. For the last place Government have recently appointed on my recommendation Mr. M. P. Bhima Rau, Manager of the Palace Office, who is now 46 years old. I have not therefore taken these four outside appointments into account in determining the vacancies to be

filled in the course of the next few years.

Messrs E.V. Ganapati Iyer and M. A. Singrachar both of whom have received training in this office have been ordered by Government to be posted to the Railway Audit Office and they will not therefore be available for filling vacancies in this office, as Messrs Murugesa Mudaliyar and P. S. Naidu, Assistant Auditors, will retire shortly and their places have to be filled by these two officers, if the Railway Audit Office is to continue to have four officers.

In view of the necessity which will arise in the course of the next few years as explained above for our having to draft upon Civilian Officers for filling in Gazetted places in the Account Department, it is essential that we should be prepared to meet the contingency, by having a sufficient number of trained officers for the department.

I would therefore request that at least two Assistant Commissioners may be posted to this office this year for training.

The Secretary to Government (Financial).

NOTE—Contn. sheet.

Serial No.

In his note dated 10th August 1923, the Comptroller has reported the vacancies that would occur in the gazetted staff of the Accounts Department in the next few years and proposed that, in the circumstances explained by him, at least two Assistant Commissioners might be posted to his office this year for undergoing training.

In the next three years seven vacancies as follows may be expected:-

By superannuation.	1.	Mr. T. Satyaraj Chetty
	2.	" L. Bishtopanth Badami
	3.	" M. Srinivasa Murthi
By reversion to British service.	4.	" R. Srirangarajan
By reversion to General Department.	5.	" B.S. Raghavendra Rao
	6.	" M. Viraraja Urs.
By retirement.	7.	" P.S. Naidu.

Mr. A.N.Raghavachar has been in the Accounts Department for nearly ten years and if he desires to go back to the General Department, his request has to be complied with under existing orders. Including him, the number of vacancies would be eight.

For filling up the eight vacancies there are the following officers:-

1. Mr. B. Srinivasa Iyengar

(Although he is now working in the Revenue Department, I assume that he will be available for holding one of the higher charges in the Accounts Department when the opportunity offers.)

NOTE—Contn. sheet.

Serial No.

2. Mr. M. A. Singrachar
3. " E. V. Ganapathi Iyer } now under training.

4. One Non Civilian Assistant Comptroller if appointe as Deputy Comptroller.

There is accordingly need for having four officers for filling up the gaps that will occur in the next three years.

I would, therefore, suggest that two officers may be transferred this year from the General Department for receiving training in the Comptroller's Office and two more next year.

The selection may kindly be made from among the officers named below:-

(1) Mr. K. Subba Rao (2) Mr. K. Gurudutt
(3) " M. Shamanna (4) " Md. Ismail Sheriff
and (5) Mr. C.M.H.Ranajodha Singh.

For vacancies in the list of Non Civilian Assistant Comptrollers, there are qualified men among the Superintendents of the Comptroller's Offic and the recruitment of this part of the gazetted staff does not require any special arrangement.

Four gazetted appointments in other departments (Military, Electrical, Railway and Insurance) are now held by members of the Accounts Department and it has not been declared that these offices should necessarily be held by non-civilian officers. Ar-

Arrangements for filling up these places may be made according to circumstances and there is no immediate need for drafting Assistant Commissioners to be trai ed for occupying any of these appointments.

The Comptroller's gazetted staff consists of 10 assistants for both the Civil and Railway Offices. Of this one is a Superintendent temporarily promoted as a Gazetted Officer. Leaving him out, the strength of the staff is 9 and of these, 6 should, under the existing orders, be Assistant Commissioners and 3 Non-civilian officers promoted from the grade of Superintendents of the Comptroller's Office. As one of the Non-civilian officers is now working as Assistant Secretary, Finance, the Civilian element in the Comptroller's Office has been required to be increased by one and there should, therefore, be 7 Assistant Commissioners and 2 Non-civilian officers in the Accounts Department.

The following are the 7 Assistant Commissioners and I note against them the period of service they have rendered in the Accounts Department:-

(1) Mr. A. N. Raghavachar ... over 10 years.
(2) Mr. B.S.Raghavendra Rau ... about 4½ ,,
(3) Mr. M. Viraraj Urs ... 4¾ ,,
(4) Mr A.M.A.Singrachar ... 3 ,,
(5) Mr. E.V.Ganapathi Iyer ... 3 ,,
(6) Mr. T.Hanumantha Rao ... very lately transferred to the Department.
(7) Mr. R. Srirangarajan* ... Counted against one of the Asst. Commissioner's places.

*His term of employment expires on 30-6-1925.

NOTE—Contn. sheet.

Serial No.

No. (2) has already been transferred to the Mysore Trust Board. No. (3) has to be sent back to the General line about 3 months hence. No.(7) has only one year's service and there is dissatisfaction in some quarters about his continued retention in our service. Even Nos. (4) and (5) are due to be sent back to the General line two years hence. Mr. Hanumantha Rao has just been taken to the Department and as he is fairly advanced in age, it remains to be seen whether he can pass the Departmental Examinations and make himself fit for its work.

No. (1) having put in over 10 years' service in the Department, has to be permitted to go to the General line if he desires to go there

It will be seen from what is stated above that in about two years not one Civilian officer will be left in the Accounts Department. Already Mr. Raghavendra Rao has been transferred and Mr. Vmraraj Urs' term of service in the Accounts Department is practically completed. There are, therefore, two immediate vacancies for which two qualified officers are necessary. It will take about two years for officers transferred from the General line to pass their Departmental Examinations and qualify themselves for holding

charges

charges in the Accounts Department.

It is necessary, in the circumstances explained above, to transfer two qualified officers for charges which are or will shortly become vacant and at least two junior officers for receiving training and for replacing those whose term of employment in the Accounts Department will terminate in the next two years. The only officers qualified for the work of the Department and now working outside are Messrs M.A.Sreenivasan and J.Appaji Gowda. As for junior officers to be deputed for training, I propose that any two of the following officers may be transferred:-

(1) Mr. M. Shamanna.

(2) Mr. R. Puttaraj Urs.

(3) Mr. V. Vedavyasacharya.

(4) Mr. C.M.H.Ranajodha Singh.

I request very early orders on the above proposal. The work of the Comptroller's Office has, under the Reforms, to be performed with great promptitude and precision and the Comptroller requires a staff of competent officers to help him in the discharge of his responsibilities which have increasedunder the Reforms.

=======

With reference to your No.1458 Es dated 7th June 1924 calling for a statement of Gazetted appointments to be made in the next six months in my office I have the honor to state that Mr. E. V. Ganapathi Iyer, Assistant Commissioner who was deputed for training in the accounts department on 23rd September 1921 has put in nearly three years service in that department in the Comptroller's Office and in the Railway Audit Office. He expects to be transferred to the general line from the Accounts Department after spending five years in the latter department. It is therefore necessary for us to have an officer trained and ready to take his place when he should be so transferred. If a newly appointed officer is to be trained for his work, he will require at least two years for the purpose as he will have to spend some time in the Comptroller's Office and get acquainted with Civil and Public Works Accounts also. It would therefore be necessary to appoint an officer within the next six months for being trained to take his place.

Similarly if Mr. Raghavachar who has been long in this department has to be sent out, another officer has to be posted for being trained in Railway Accounts to take his place.
